

# Ingleside Scout Camp Compass Course

**A self-run compass course at Ingleside Scout Camp for beginners to the experienced. Apart from a compass you will need a pencil and paper to write the answers down.**

It is recommended that for inexperienced Cubs/Scouts be given Instruction on the use of a compass beforehand and also measure the length of their pace (number of double paces per 100 metres) by the two markers next to parade ground. These are 50 metres apart. Start them on the shorter courses as these are not as easy as they appear. Allow plenty of time, and for younger ones we suggest that a leader assists them the first time.

Each marker is identified with a letter/number and engraving of an animal. The animals are engraved so that participants can place a piece of paper on them and make a rubbing.

On all of these courses you can start at **any marker** and you will always end up at the place you started.

The identifiers are:

A5	Fish
B3	Bandicoot
F7	Duck
B5	Seal
D3	Dingo
E2	Echidna
E4	Eagle
E7	Emu
F4	Frog
K3	Kangaroo
L7	Cockatoo
P6	Platypus
T4	Tasmanian Tiger
W6	Wombat
D7	Dolphin
A2	Penguin

Beginners Compass Courses

**Course 1**

Start at marker L7

Marker or Animal

- 1 143 metres at bearing 71 degrees
- 2. 68 metres at bearing 229 degrees
- 3. 25 metres at bearing 147 degrees
- 4. 56 metres at bearing 252 degrees
- 5. 59 metres at bearing 310 degrees
